

ABRASCO
LIMITED
software for the home computer

LOADING INSTRUCTIONS

To load the program, hold down shift and press run/stop. The program will automatically load and run.

This product contains a copy of the program on both sides of the cassette.

If you have trouble with loading

1. Your cassette unit could be too close to the T.V.
2. You have an expansion cartridge in or the wrong expansion cartridge.
3. Turn the machine off, then on. Rewind the tape and try again or try the copy on reverse side of tape.
4. See your machine dealer or call us at:-
